Here's How It Works

The program is very *simple*. All you need to do is refer someone to *Peak* and ask them to *mention* your name. If you referred a lady in the check out line at Target or a guy on the golf course and you are unsure whether you will get credit for the *referral*. Send us an email and let us know. We will keep track of your referrals and deliver your *free landscape materials* when you are ready.
